DLLE - Department of life-long learning and Extension is affiliated to Mumbai University and from our college 50+ students are part of this initiative.

Key Aspects of Mumbai University DLLE:

- **Motto:** “Reach to Unreached”
- **Objective:** To foster leadership, entrepreneurship, social awareness, and creativity among students.
- **Extension Work:** Students engage in projects related to social issues, career orientation, and community development, often involving field visits.
- **Benefits:** Participating students receive **10 grace marks** upon successful completion of 120 hours of work and submission of a project report.
- **Projects Offered:** Various projects are available, such as Career Project (CP), Anna Poorna Yojana (APY), Industry Orientation Project (IOP), and Survey of Women's Status (SWS).
- **Registration:** Colleges must register on the DLLE portal, and teachers are appointed to supervise students.
- **Annual Festival:** The department organises an annual festival, *UDAAN*, featuring competitions like street plays, posters, and elocution, focusing on social themes.
